

## **Annual Report PFMC 2024/2025**

As last year BSP rounders team only source of annual income to the PFMC, there has been no official news from AFC Sudbury although from their own media there has been a change of Chairman.

Thanks again go to the small volunteer working party who amongst other things are regularly keeping the grass cut around the play equipment and the borders of the playing field at no charge to the playing field for equipment or fuel. This year we have been working towards creating a more streamlined approach to the running of the PFMC – hoping to minimise paperwork and create a more active team,

The next Wicksteed inspection is due to take place in May as usual.

### Finances

BSP Rounders £125

Village Fete £2000

As always the PFMC wish to express their gratitude to the fete committee and volunteers who made the day so successful and to the Belchamp St Paul Rounders Team.

### Notable expenditures

Tractor £503 – Repairs again needed to the tractor hydraulic pipes made up a large portion of this but hopefully should be good for the next grass cutting season.

Water leak meant a huge bill – thanks to those who acted so swiftly to stop the leak!

### 2025/2026 proposals

The following events/fund raising efforts are planned;

Village fete - Sun 1st June. Proceeds split 50/50 between the PFMC and Parochial Church Council.

Open Park Day?

Autumn Harvest Festival – (14<sup>th</sup> Sept 2025)

Parking fees, for weddings, events etc will continue to be collected at revised rates as agreed with the Community House where applicable.

H Chaplin,

Chairman - Playing Field Management Committee.
